

LEGAL BASES OF "EL PARTIDAZO FANTASY DAZN" AND "DAZN SPONSORED LEAGUES" IN LALIGA FANTASY.

The following legal bases regulate access to the "Partidazo Fantasy DAZN" and "DAZN Sponsored Leagues" games in the Liga Fantasy (hereinafter "DAZN Games") by users who use the LaLiga application or game "LaLiga Fantasy" (hereinafter, "the Game"). The entity responsible for these legal bases is DAZN Spain, S.L. (hereinafter, "DAZN"), a Spanish company located at Calle General Perón, number 40, portal D, 2nd floor, 28020, Madrid, Spain (C.I.F.: B-85940419) and registered in the Madrid Mercantile Registry, in volume 27702, folio 106, section 8, sheet M499256.

In addition to these legal bases, the Terms of Use and Privacy Policy of LaLiga, which can be consulted by users on the website, will also apply.

Access to DAZN Games is completely free.

Acquisition of the Right to Participate and Obtaining Winner Status

To participate in DAZN Games, users must be of legal age and perform the following actions:

1. Register as users of the Game.
2. Register as users of DAZN Games and accept these legal bases.

Mechanics of Partidazo DAZN:

Users interested in participating in Partidazo DAZN must access the Partidazo DAZN section within the Game, register for Partidazo DAZN, complete their team, and have a positive balance.

Obtaining Prizes:

The status of winner of the various prizes listed in Annex I of these Legal Bases will be given to the Participant who, in each round of Partidazo DAZN where each prize is offered, scores the highest points in Partidazo DAZN according to the Game rules.

Tie-Breaking Criteria: In the event of a tie in points among several players, the winner will be the player who obtained the most points with the team of the lowest value. If the amounts are the same, the winner will be the player who formed their team first.

If it is not possible to locate the Winners based on the information provided, or if the Winners cannot or do not wish to accept the prize, the prize will go to the first alternate and so on until the number of alternates is exhausted. If all alternates are exhausted, the corresponding prizes may be declared void.

Any taxes associated with the prizes offered by DAZN will be the responsibility of the winners. DAZN reserves the right to withhold applicable taxes on the prizes of Partidazo DAZN.

Participation in DAZN Games implies authorization for DAZN to use, reproduce, and disseminate the winner's username and, if applicable, their name and surname for inclusion in the DAZN Games results so that participants can transparently know the winners. If the winner refuses to have their personal data published for this purpose, they will lose the right to enjoy the prize obtained.**

The various prizes will be delivered by DAZN within sixty (60) days from the celebration of the corresponding round or event that gives rise to the prize.

Mechanics of the DAZN Sponsored League:

In this League, participants compete against other League participants. Participants receive an initial team of random players and a budget. They must manage their team (signing and selling players and setting up their starting 11) to get the highest points each round. Prizes associated with this League are only available in the public DAZN Sponsored League where participants compete randomly against other participants. Private Leagues and the Fantasy League mode do not grant access to any of the prizes offered for participants in the public League. Prizes associated with the public DAZN Sponsored League are detailed in Annex II of these legal bases.

Mechanics of the DAZN-sponsored Fantasy League:

In this league format, participants compete against all users in the same league. Participants receive €100 million (€100M) to sign the players they want to build their team, and can freely buy and sell available players, provided that there is no match day in progress. Player prices will remain fixed throughout the season, with no variations.

Furthermore, within this Fantasy League, the clause functions between users will not be enabled, nor will the use of premium features specific to LALIGA Fantasy be permitted, such as coaches, bench, captain or additional bonuses per player in the ideal 11.

The prizes associated with this League are only available in the DAZN-sponsored Fantasy League mode, in which participants compete randomly against other participants. Fantasy Leagues do not grant access to any of the prizes offered to participants in the public League.

The prizes associated with the DAZN-sponsored Fantasy League are detailed in Annex III of these legal terms and conditions.

Territorial Scope of DAZN Games

The territorial scope of DAZN Games is all of Spain.

Acceptance of the Bases, Suspension of the Promotion, and Claims:

Participation in DAZN Games implies full acceptance of these legal bases. DAZN employees and employees of any company involved in the implementation of DAZN Games or the Game cannot participate in DAZN Games. DAZN, as the entity responsible for DAZN Games, reserves the right to temporarily suspend or completely cancel the Games in the event of unforeseen circumstances that make their development impossible.

Data Protection

The personal data of participants in DAZN Games will be processed by DAZN Limited as the data controller to manage their participation in DAZN Games. If users consent, DAZN may send them commercial communications electronically about DAZN products or
